PMP® certified Senior Product Designer with 5+ years of experience leading end-to-end digital product design across complex enterprise SaaS and G2B/G2C portals. Specialized in AI-augmented design workflows, scalable design systems, and WCAG 2.2 AA accessibility with a proven track record of driving cross-functional alignment.

Work Experience

Product Designer & PM

Logikco | Taiwan/ US (Remote)

Feb 2023 - Present

- **AI Strategy & Business Growth:** Spearheaded an AI-augmented design workflow using Claude/LLMs for IA mapping and UX writing. Delivered a high-fidelity prototype in a 48-hour sprint, securing a **$1.6M+ US state government contract** and slashing conceptualization time by **60%**.
- **Scalable Design System:** Architected a unified Design System aligned with Blazor and Telerik UI frameworks. Created centralized Figma variables and component libraries, enforcing 100% cross-device UI consistency and boosting frontend dev velocity by **33%**.
- **Accessibility & Compliance:** Led the end-to-end redesign of a US public records background check system (ICHC), achieving strict **WCAG 2.2 AA compliance** and cutting inquiry steps from 6 to 3 (-50%).
- **Agile Leadership & Handoff:** Applied PMP® frameworks to bridge US stakeholders and local engineering teams. Standardized design-to-dev handoff, reducing lead time by **25%** and revision cycles by 40%.

Product Designer

WormHole Tech | Taiwan

Nov 2021 - Feb 2023

- **Data Visualization & Impact:** Designed data-dense UI dashboards for industrial robotics. Orchestrated interactive UI demos for Germany's K-Show exhibition, securing 10+ MOUs and earning a nomination for the *Taiwan Robotic Intelligent Systems Excellence Award*.

Freelance Product Designer & UX Consultant

Feb 2023 - Present

- Delivered full-cycle UI/UX solutions for B2B and e-commerce clients. Conducted user research, persona mapping, and prototyping (e.g., OFFGRID B2C Music-Social App) to validate product-market fit.

Skills & Certifications

- **Design & Strategy:** End-to-End Product Design, Experience Strategy, Human-Centered Design (HCD), Design Rationale, User Research, Wireframing, Rapid Prototyping, Information Architecture.
- **Design Systems & Accessibility:** Figma (Variables, Auto Layout, Tokens), Component Libraries (SSOT), WCAG 2.2 AA Compliance, Heuristic Evaluation.
- **Tech & Leadership:** Figma, Claude Design, Adobe CS, HTML5/CSS3/JavaScript, Blazor/Telerik UI, GA4, Hotjar, Agile/Scrum, PMP® Project Management.
